CYCLE TO WORK SCHEME

Get a new bike and accessories and spread the cost over 12-18 months via salary sacrifice. You don't pay tax or National Insurance with salary sacrifice, so you'll save up to 42% on what you'd normally pay.

HOW DOES IT WORK?

1. Go to www.evanscycles.com or an Evans Cycles store to find the cost of the bike and accessories you want.
2. Visit www.evanscycles.com/b2b/ride-to-work and select savings calculator.
3. Use the calculator to see what the monthly deductions from your salary and savings will be.
4. Click 'apply for certificate'.
5. Click 'Don't know your account number' and search for the correct business and length of contract. Add your personal details, then read and accept the purchase agreement.
6. Wait for your certificate to be emailed to you. It will come after we've verified you work for us.
7. Get your bike by redeeming your certificate in any Evans Cycles store, online or via the telephone mail order service on 01293 574 900. Salary sacrifice deductions will begin with your next salary payment.

ENHANCED PATERNITY, MATERNITY AND SHARED PARENTAL LEAVE

You can get two weeks' paternity leave on full pay so that you're not left out of pocket by statutory paternity pay.

Enhanced paternity leave gives you two weeks' paternity leave on full pay, rather than statutory pay. To qualify you need at least 26 weeks' service by the 15th week before the baby is due. You also need to apply for leave at least 15 weeks before the due date.

Enhanced maternity leave kicks in after one year's service—and it gets even better after three years.

Weeks 1-6	Weeks 7-12	Weeks 13-39
100% of weekly salary	50% of weekly salary	Statutory Maternity Pay

3 Years +

Weeks 1-12	Weeks 13-26	Weeks 27-39
100% of weekly salary	50% of weekly salary	Statutory Maternity Pay

To qualify for enhanced maternity leave, you need to have reached the relevant service milestone by the 15th week before your due date.

We also offer **shared parental leave** to allow you and your partner greater flexibility in caring for your baby in its first year. You need at least 26 weeks' service for this.

To apply for paternity, maternity or shared parental leave, complete a Family Leave Request at least 15 weeks before your due date.

Email people.admin@etelimited.co.uk if you have any questions.
